

## ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE approving the transfer of unspent and unencumbered appropriations and cash (if any) between capital improvement projects and designation of funding sources for street projects due to the recent issuance of Highway Allocation Bonds within the Public Works and Utilities Department, Urban Development Department and Parks and Recreation Department.

BE IT ORDAINED by the City Council of the City of Lincoln, Nebraska:

Section 1. Whereas the recent sale of Highway Allocation Bonds netted \$36.7 million in funds for new construction projects, the following list of existing projects is proposed to use the Highway Allocation Bond Funds for Design, ROW & Construction and carrying the funding source HB (Highway Allocation Bonds) in the fiscal year 2003-2009 Capital Improvement Program previously approved by the City Council.

The projects are:

Project #	Project Name	FY 03-04 Needs
701338	W. Fletcher from NW 29th to WN 13th	\$900,000

## POSITIONS/RECOMMENDATIONS:

<p>The proposed Ordinance is needed because the City Charter requires that transfers between capital projects be done by Ordinance. This Ordinance is intended to provide the proper funding in the correct project accounts for several capital projects in several departments and make transfers between projects that have been, or will be completed under budget to projects that need more funding than originally provided in order to be completed. The Ordinance (Continued under "Discussion").</p>	Sponsor:	Parks & Recreation, Public Works & Utilities, Urban Development & Finance
